

*The American Biogas Council and ML Strategies cordially invite you to a cocktail reception honoring **Ben Nelson** (D-NE) as a champion of the biogas industry.*

During his two terms in the Senate, Senator Ben Nelson has a strong record of supporting and encouraging bioenergy and biogas. In 2002 the Senator helped establish the first energy title in a Farm Bill. In 2005, he helped pass into law the renewable fuels standard (RFS). Senator Nelson also has introduced tax credit legislation to comprehensively promote the development and production of biogas.

**Tuesday, May 15, 2012**

**5:30-7:30pm**

*(Senator Nelson will be arriving promptly at 5:30 p.m.)*
